For Immediate Release

SPLASH PAD/PLAYGROUND OPENING
ALPINE VILLAGE BUSINESS PARK

The Town of Rome community is invited to the grand opening of the Town of Rome splash pad park! The opening will be at 3:00 PM Friday July 13, 2018. Come and say thank you to the Legacy Foundation of Central Wisconsin for the splash pad AND thank members of the community for their donations for playground equipment! The park is located in the Alpine Village Business Park on Climbers Pass between Geneva Trail and Matterhorn Trail.

The Legacy Foundation of Central Wisconsin donated $500,000 to the Town of Rome to design and build a splash pad A splash pad is a zero depth water play area fill of lots of spraying water features.. Additionally, Thrivent Financial, along with generous community members donated $17,500 for playground equipment. The installation of these items (minus a few landscape details) is ready for the Town to takeover. Come celebrate these amazing gifts to the Town.

Come on down, get wet, eat a free hot dog or brat (until gone) and have FUN!

Thank you Legacy Foundation and Thrivent Financial and Rome community!

We hope to see you there. Please direct questions to Mike Miller, Town Administrator.
