Emergency - 911

Rome Police Department Monthly Report July 2017

Meetings/Training Attended

During the month of July I attended Town Board, and PFC meetings.

Calls for Service, Citations, and Written Warnings

In July officers handled 154 calls for service, and issued 63 citations and 18 written warnings. The Boat Patrol logged 71 hours of patrol and issued 1 citation, and conducted several boating compliance checks.

Department Activities/Announcements

Over the holiday weekend I observed we still had Fireworks being discharged around the lakes. Again, I would like to continue to remind residents the Rome Police Department will have a zero tolerance for illegal discharge of fireworks. A commonly used rule of thumb is that if the device explodes or leaves the ground it is unlawful to discharge without a permit. The permits issued at many roadside stands indicate a specific place for the discharge of the fireworks. NONE of those are in the Town of Rome so any discharge would be illegal and subject to a \$250.00 fine and confiscation of the fireworks.

The Department still has one officer off duty as a result of an on a duty related injury. The officer is not expected to return to duty in the near future. Part time Officers continue to be used to fill open shifts in the schedule.

An upgrade to the radio communications for the P.D. was completed during July and the new system is now online.

Officer Jacob Paltz was hired full time by the Plover Police Department and has resigned from our department. We wish him well with his new career. In the upcoming month we will be conducting interviews to hire additional part time officers to fill vacancies in the schedule.

Routine maintenance was done to the fleet in July.

Jason Lauby – Chief of Police
