(1) **LEGAL STATUS:** The Town of Rome is a body corporate and politic, with those powers granted by law. The Town shall be designated in all actions and proceedings by its name, the Town of Rome.

(2) **VILLAGE POWERS:** The Town Meeting having, by resolution, directed the Town Board to exercise all powers relating to villages and conferred on village boards by Chapter 61, Wis. Stats., the Town shall have said powers through its Board. This is a continuing grant of powers.

(3) **OFFICIAL NEWSPAPER:** The official newspaper of the Town of Rome shall be the Wisconsin Rapids Daily Tribune.

2.02 ELECTIONS:

(1) POLLING PLACE: The polling place serving all wards shall be at the Municipal Building located at 1156 Alpine Drive.

(2) Pursuant to 7.30 (1) (a) Wis. Stats., the Town Board hereby provides for the selection of two (2) or more sets of officials to work at different times on election day and permits the Clerk or an designee to establish different working hours for different officials assigned at the same polling place.

(3) ELECTION DAY EMERGENCY PLAN:

(a) Worldwide Terrorism Event:

1. In the event of a terrorist activity, the federal government may have a preliminary plan in place for moving activities of election days. However, if no plan exists, it shall be the policy of the Town of Rome to act accordingly. All elections shall continue unless federal or state officials have ordered otherwise.

2. A worldwide terrorist event, although dramatically affecting each voter on a personal level, may not affect the daily operations of each polling location. If there is no police order to take cover or remain in- doors, all operations of the polling locations shall remain in effect.

(b) Fire or Fire Alarms: In the event a fire or fire alarm has disturbed the activities at the Town Hall, the procedures set forth in pars. (e)- (g) herein shall be used to effectively continue election processes.

(c) Electrical Outage: Ballot boxes contain power supply backups that shall continue to operate in the event of a power outage. Should the Town Hall lose power, Town officials shall be available to assist in providing flashlights and immediate assistance. In the event of a long term power outage, a change of venue shall be required.

(d) Natural Disaster/Inclement Weather:

1. During inclement weather, the Fire Department and Police Department shall stay apprised of the severity and shall alert the Town Clerk of possible emergencies.

The ballot box shall remain unplugged and locked. No ballots shall be allowed into the ballot box, and no un-voted ballots shall be released. After passage of the emergency, regular business shall resume and the Chief Inspector shall note on his/her inspector report the period of non-voting from beginning to end.

1. In the event an evacuation is ordered by the Police or Fire Chief, all un-voted ballots shall be taken into custody by the election inspectors and the ballot box that has been storing and counting voted ballots shall remain sealed, and unplugged. The box has a battery back-up. The purpose for removing all un-voted ballots is to prevent anyone from entering and voting on unauthorized ballots while inspectors are out of the building. Elections may continue as soon as fire officials have cleared the building for re-entry.
2. Should an actual fire be detected, the locked ballot box has wheels and may be moved to the parking lot. If practical, the election inspectors may allow voting to continue in the parking lot of the building. There shall be established a designated corner of the parking lot where voting can take place and where the ballot box is still able to count and record ballots while on battery back-up. However, a power supply may be needed if this process should continue longer than one (1) hour. At no time shall the ballot box or ballots be out of sight of the election inspectors.
3. If this process is not able to be completed in the parking lot, then a change of venue shall be required. Changing the voting location shall require a police escort. The Town Clerk, or if the Town Clerk is not available, the Chief Inspector, shall determine if the event requires a change of venue. See par. All inspectors shall assist the Clerk in packaging up all voting equipment, un-voted ballots, challenged ballots, recreated ballots, absentee envelopes, poll lists, new registration forms, and any other miscellaneous material.
3. The ballot box shall remain locked at all times.
4. The ballot box shall be escorted to a Town-owned vehicle for moving. A police officer shall remain in control of the ballot box at all times. A police escort shall take the ballot box (which holds all voted ballots) to Fire Station #2. At this location, all inspectors and the Town Clerk shall set-up and operate the polling location. The ballot box has a battery backup and no information should be lost.
5. All un-voted ballots shall remain in the possession of the Chief Inspector and at least one other inspector during this change of venue.
6. Inspectors shall note this change of location on their Inspector Statement.

7. A sign shall be posted at the original polling location designating the new polling place for voters to see. Likewise, if possible, a notice shall be placed on the public access channel for voters to report to the correct location.

(g) **Effect on Poll Watchers:** Poll watchers shall be required to exit any building that is evacuated. They may continue to watch the election processes without interruption.
