Nekoosa, Wisconsin 54457

715-325-8020
Emergency - 911

Rome Police Department Monthly Report May 2020

Meetings/Training Attended

During the month of May, I attended Spillman, and several COVID-19 Webinar meetings. The Officers have completed State mandated emergency vehicle operations and firearms trainings.

Calls for Service, Citations, and Written Warnings

During the month of May officers handled 156 calls for service, issued 48 citations, and 5 written warnings. The Boat Patrol logged 26 hours of patrol and issued 1 citation.

Department Activities/Announcements

We put the 2020 Boat patrol on the water over Memorial Day Weekend, the patrol will work an average of 20 hours per week throughout the summer.

The Rome Police Department will be participating in Click It or Ticket June 22 to July 5, 2020.

Seat belts save lives and prevent serious injuries

- Consistent seat belt use is the single most effective way to protect motor vehicle occupants from being injured or killed in a crash. Air bags are an important safety enhancement, but only seat belts can prevent motorists from being ejected or thrown around violently inside a vehicle during a crash.
- The good news is Wisconsin's seat belt use rate is at its highest ever: 90.2 percent. Still, too many motorists fail to buckle up and are needlessly injured and killed in crashes. In 2019, 44 percent of car and light truck occupants killed in Wisconsin traffic crashes were unbuckled.
- Traffic crashes are the leading cause of death for teens and young adults nationwide.
- Teen-related crashes, injuries and deaths can be attributed in part to dangerous driving behaviors such as failure to buckle up and driving while distracted.

Jason Lauby – Chief of Police
