Rome Police Department Monthly Report December 2020

Meetings/Training Attended

During the month of December, I attended COVID-19, PFC, and Spillman meetings.

Calls for Service, Citations, and Written Warnings

In December officers handled 104 calls for service, and issued 15 citations and 17 written warnings. The Department closed the year out with a total of 1,665 calls for service.

Department Activities/Announcements

I encourage citizens that see suspicious activity to report the situation to the police department as soon as they witness it. Many times our residents and visitors delay calling the police, figuring what they saw is minor and may be nothing so it can wait. Officers are also told the witness didn't want to interrupt them in the middle of the night. The Rome Police Department is staffed 24 hours a day 365 days a year. I would encourage our residents and visitors to report things immediately regardless of the time of day or night.

I will be working on setting up the 2020 squad car during the first part of January. The 2014 Dodge Charger has been taken out of service and the gear/equipment will be used in the 2020 Charger. We will be working on getting the Command Vault cloud system running in the first part of 2021. We were awarded a \$10,000 grant for the purchase of this software.

Squad 86 and squad 84 had damage repaired in December.

Jason Lauby – Chief of Police
