Rome Police Department Monthly Report November 2021

Meetings/Training Attended

During the month of November, I attended North Central Chiefs of Police Association, Adams County Traffic Safety, Ambulance District and Town Board meetings. Officer Upton attended a Coordinated Community Response Team meeting. Officer Czys attended Peer Support Trainer Program, in Oklahoma City. The costs of this training were covered by the State of Wisconsin Department of Justice. Officer Spanske completed Emergency Medical Responder Training.

Calls for Service, Citations, and Written Warnings

During the month of November, officers handled 97 calls for service, issued 29 citations and 15 written warnings.

Department Activities/Announcements

Calls for service have slowed down in November, which is a normal trend for the police department as we head into the holiday season. I am pleased to announce we had another successful deer hunting season with no hunting accidents reported.

As the winter season approaches, the Rome Police Department would like to remind seasonal residents to stop in the Town Hall and fill out a vacant home form. This information is important because it provides the police department with contact information if there is a problem with your home while it is vacant.

A warranty repair to a 2017 Ford Explorer with turbo issues was completed. Routine maintenance was done to the remainder of the fleet in November.
